MACHINERY IN ACTION

Soil working, seeding, fertilizing,
irrigation, crop protection
and harvesting

28 - 29 JULY 2017
9 AM to 6 PM

Technology and innovation will be in the spotlight in EIMA Show Umbria, the event for live demonstrations of machinery and equipment for precision farming. EIMA Show will be an important occasion to see in action the most advanced mechanical solutions for improving the agricultural productivity, increasing the products' quality standards, optimizing the production costs and reducing the environmental impact.

HOW TO REACH

Azienda Agricola Casalina, 06051 Casalina di Deruta (PG)
